Safety and Driver Assistance Systems.

› **The eCitan**

Enhanced Safety.

The Citan is based on a sophisticated safety concept. Active driving assistance and safety systems offer useful functions to support the driver. A significantly expanded standard range of assistance systems is available.

Active Lane Keeping Assist (JB4)
The Lane Keeping Assist function can help to prevent accidents caused by the vehicle unintentionally leaving its lane. If the system detects that the vehicle has drifted out of its lane unintentionally and warns the driver by means of a pulsating vibration of the steering wheel. This prompts the driver to return to the correct lane.

Active Brake Assist (BA3)
Can help you prevent accidents with vehicles in front and with crossing vehicles or pedestrians, or to minimise the consequences of such accidents. This can increase both your own safety and that of other road users.

ATTENTION ASSIST (JQ2)
The ATTENTION ASSIST system can give you timely warning of fatigue and microsleep. Contributes to road safety, especially when driving at night and on longer journeys. The display appears in the instrument cluster between the rev counter and speedometer.

Hill-Start Assist (E07)
Can ease moving off on gradients by temporarily preventing the vehicle from rolling backwards. Hill Start Assist is linked to the Electronic Stability Program ESP® and maintains brake pressure for a few seconds after the service brake is released.

Traffic Sign Assist (JQ1)
Assists you in maintaining the legally prescribed maximum permissible speed. A camera in the windscreen detects speed limits which you then have the option to adopt. So you have less to regulate yourself and can benefit from more comfort.

The Citan BASE.

Standard features include:

Interior

- Multifunction steering wheel
- Height and rake adjustable steering wheel
- Glove compartment with cover, co-driver's side
- Height adjustable driver's seat
- Mirror in driver's sunblind
- Air-conditioning system

This document is for guidance only and must be used in conjunction with a configuration tool prior to final specification decisions and vehicle quotations being prepared and accepted. List prices are quoted ex-factory unless otherwise stated. Delivery charges excluding VAT will be added to model prices quoted in this document. Prices based on standard finish paint choice. Mercedes-Benz Vans UK and authorised Dealers reserve the right to alter specification and vary prices without notice. The availability of options may depend on the chosen base vehicle and other optional equipment specified, and should be confirmed with your Mercedes-Benz Vans Dealer prior to order placement. VAT is calculated at the standard rate of 20%. Mercedes-Benz Vans UK Ltd, Tongwell, Milton Keynes MK15 8BA.

Mercedes-Benz Finance options.

RETURN TO START

Choose an agreement that suits you with Mercedes-Benz Finance.

At Mercedes-Benz Finance we understand what it takes to run a modern-day business. Because of this, we have a number of finance options ready to suit your business needs.

Agility (Personal Contract Plan)

Agility (Personal Contract Plan) is our most flexible method of financing. You drive the vehicle over a fixed term, with fixed monthly payments. And at the end of the agreement, you decide whether you want to:

- Buy another Mercedes-Benz.
- Purchase your van by paying the Optional Purchase payment (balloon) and Option to Purchase Fee.
- Return it to us.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information about Agility.

Hire Purchase

A straightforward route to ownership. This product allows you to spread the overall cost of your Mercedes-Benz over a fixed term.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Hire Purchase.

Operating Lease

A solution for those who want to drive one of our vehicles over a specific term, with fixed monthly rentals and without the commitment of ownership of the vehicle.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Operating Lease.

Contract Hire

A solution for those who want to drive one of our vans over a specific term, with fixed monthly rentals and without the need to commit to ownership of the vehicle. This includes the cost of your Vehicle Excise Duty (also known as Road Fund Licence) for the duration of your agreement.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Contract Hire.

Finance Lease

Finance Lease gives you the ability to enjoy driving a Mercedes-Benz Van for a fixed time without the option of ownership. With this option you lease your vehicle for a fixed period and for fixed monthly rentals.

As a limited company or PLC customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Finance Lease.

All figures are based on a standard specification. The choice of additional factory options may affect CO_2 emissions and corresponding Road Fund Licence. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other vans tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load.

Further information about the test used to establish fuel consumption and CO_2 figures can be found at https://www.mercedes-benz.co.uk/vans/en/WLTP

Weights and payloads.

Model	Gearbox	Kerb Weight with Driver (Kg)*	Gross Vehicle Weight (Kg)	Payload (Kg)	Gross Combination Weight (Kg)
110 Van L1 BASE	Manual	1,550	2,230	680	3,500

The Mercedes-Benz App.

Monitor your van's status, location and security via your smartphone.

ASSISTANCE & AFTERCARE	**FREE**
Telediagnostics & Maintenance Management	Receive a notification when wear is detected on diagnostic-capable parts such as brake pads and get advance notice of when a service is due allowing you to plan your workshop visit well in advance to minimise any impact on your business.
Remote Vehicle Diagnostics	Your Dealer can assess your van's condition remotely allowing them to check if any other repairs are required ahead of a service.
Accident Recovery & Breakdown Management	Once an emergency call has been resolved or if you request breakdown assistance, further support is offered to help recover your van or to tow it to a Mercedes-Benz Service outlet.
Software updates	Over-the-air software updates are sent directly to your van's head unit. This means you'll always know your software is up to date and you'll save time by avoiding additional workshop visits.
VEHICLE SUPERVISION	**FREE FOR 3 YEARS**
Vehicle Tracker	See your van's location on the map in your app, making it easy to call or message your driver and re-route them to fit in another delivery or pick-up if a quicker route is available. The tracker is factory fitted equipment so it can't be easily removed if stolen.
Parked Vehicle Locator	If you're within 1 mile of your van's parked location, the app can generate the most convenient walking route – very handy if you're in unfamiliar surroundings and on a busy schedule.
REMOTE ACCESS	**FREE FOR 3 YEARS**
Remote Retrieval of Vehicle Status	Use your app to check on fuel, tyre pressure, mileage and trip information. Not only does this help you plan your day's journeys, it can save you admin time on tasks such as logging your mileage for expenses.
Remote Door Locking & Unlocking	The app allows you to check if your van is locked. If you lock your keys in the van or need to give another driver access, you can do it via the app, from any distance away. For added peace of mind, you'll receive an email notification when your vehicle is unlocked.

Mercedes-Benz Approved Used vans. Get used to more...

RETURN TO START
