Please note

This document provides information about the model range line-up and specifications of the Vito Tourer. It also contains key details about options, economy and performance of all variants. Details are correct at time of publication and are subject to revision. Any images used in this document may not reflect UK specification and are for illustrative purposes only. Images may show optional equipment which does not form part of UK standard specification.

Enhanced Safety.

RETURN TO START

The Vito is based on a sophisticated safety concept. Active driving assistance and safety systems offer useful functions to support the driver. A significantly expanded standard range of assistance systems is available.

Active Lane Keeping Assist (JB4)

Protects against unintentional lane departure. If the system's camera detects a lane departure, a corrective steering intervention takes place to guide the vehicle back into the lane. If the driver fails to react and the vehicle crosses the lane markings, an additional haptic warning occurs (pulsed vibration via the steering wheel).

Blind Spot Assist (JA7)

Helps when changing lanes and reversing. If a vehicle is detected, a warning sign in a red triangle appears in the corresponding exterior mirror.

ATTENTION ASSIST (JW8)

Can help to avoid momentary nodding off and therefore provides you with increased safety, in particular when driving at night and on long journeys. The system provides you with a visual and audible warning if it identifies typical signs of fatigue or attention lapses, and suggests taking a break.

Intelligent Speed Assist (JS2)

Displays the current speed limit in the driver's direct field of vision in the instrument cluster.

Active Brake Assist (BA3)

With pedestrian and cyclist detection. The system helps to prevent rear-end collisions. Active Brake Assist can help you to prevent accidents (with vehicles driving in front, with crossing pedestrians or cyclists) or to minimise their consequences.

The Vito Tourer PRO.

Standard features include:

Interior

- TEMPATIC air conditioning
- Comfort driver's seat
- Double co-driver's seat
- 3-seater bench 1st row with folding outer seat
- 3-seater bench 2nd row
- Adjustable steering wheel, reach and rake
- Multifunction steering wheel
- Leather steering wheel
- Locking glovebox
- Modern instrument cluster with 5.5" TFT colour display
- 12V outlets for rear seat row, right and left

Exterior

- 17" steel wheels with wheel covers
- Summer tyres
- Exterior mirrors heated and electrically adjustable
- Sliding door, left and right side

Rear Passenger Area

- Plastic flooring, TPO, in passenger compartment
- Interior panelling higher execution
- Tailgate
- Grab handles in rear
- Panelling under roof

Safety and Driver Assistance Systems

- Driver and Co-driver airbag
- Active Brake Assist
- ATTENTION ASSIST
- Intelligent Speed Assist and Active Lane Keeping Assist
- Headlight assistant
- Reversing camera
- Blind spot assist
- Cruise control
- Alarm and double locks
- Emergency call system
- Driver camera

Technology

- MBUX multimedia system with 10.25" Touchscreen
- 2-way loudspeakers, front and rear
- Digital Extra: Smartphone Integration

All figures are based on a standard specification. The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other vans tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <https://www.mercedes-benz.co.uk/vans/en/WLTP>

116 Tourer SELECT L2	3,200	819	2,381	5,200
116 Tourer SELECT L3	3,200	792	2,408	5,200

* Kerb weight includes 75kg driver

All figures are based on a standard specification. The choice of wheels and transmission may affect CO₂ emissions and corresponding Road Fund Licence. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other vans tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <https://www.mercedes-benz.co.uk/vans/en/WLTP>

Vito Tourer L2

Technical drawings of the Mercedes-Benz EQ car showing front and rear views with dimensions.

This document is for guidance only and must be used in conjunction with a configuration tool prior to final specification decisions and vehicle quotations being prepared and accepted. List prices are quoted ex-factory unless otherwise stated. Delivery charges excluding VAT will be added to model prices quoted in this document. Prices based on standard finish paint choice. Mercedes-Benz Vans UK and authorised Dealers reserve the right to alter specification and vary prices without notice. The availability of options may depend on the chosen base vehicle and other optional equipment specified, and should be confirmed with your Mercedes-Benz Vans Dealer prior to order placement. VAT is calculated at the standard rate of 20%. Mercedes-Benz Vans UK Ltd, Tongwell, Milton Keynes MK15 8BA.

Mercedes-Benz Finance options.

Choose an agreement that suits you with Mercedes-Benz Finance.

At Mercedes-Benz Finance we understand what it takes to run a modern-day business. Because of this, we have a number of finance options ready to suit your business needs.

Agility (Personal Contract Plan)

Agility (Personal Contract Plan) is our most flexible method of financing. You drive the vehicle over a fixed term, with fixed monthly payments. And at the end of the agreement, you decide whether you want to:

- Buy another Mercedes-Benz.
- Purchase your van by paying the Optional Purchase payment (balloon) and Option to Purchase Fee.
- Return it to us.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information about Agility.

Hire Purchase

A straightforward route to ownership. This product allows you to spread the overall cost of your Mercedes-Benz over a fixed term.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Hire Purchase.

Operating Lease

A solution for those who want to drive one of our vehicles over a specific term, with fixed monthly rentals and without the commitment of ownership of the vehicle.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Operating Lease.

Contract Hire

A solution for those who want to drive one of our vans over a specific term, with fixed monthly rentals and without the need to commit to ownership of the vehicle. This includes the cost of your Vehicle Excise Duty (also known as Road Fund Licence) for the duration of your agreement.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Contract Hire.

Finance Lease

Finance Lease gives you the ability to enjoy driving a Mercedes-Benz Van for a fixed time without the option of ownership. With this option you lease your vehicle for a fixed period and for fixed monthly rentals.

As a limited company or PLC customer, your vehicle can also appear as an asset on your balance sheet.

For more information on Finance Lease.

The Mercedes-Benz App.

Monitor your van's status, location and security via your smartphone.

RETURN TO START

ASSISTANCE & AFTERCARE		FREE
Telediagnosics & Maintenance Management	Receive a notification when wear is detected on diagnostic-capable parts such as brake pads and get advance notice of when a service is due allowing you to plan your workshop visit well in advance to minimise any impact on your business.	
Remote Vehicle Diagnostics	Your Dealer can assess your van's condition remotely allowing them to check if any other repairs are required ahead of a service.	
Accident Recovery & Breakdown Management	Once an emergency call has been resolved or if you request breakdown assistance, further support is offered to help recover your van or to tow it to a Mercedes-Benz Service outlet.	
Software updates	Over-the-air software updates are sent directly to your van's head unit. This means you'll always know your software is up to date and you'll save time by avoiding additional workshop visits.	
VEHICLE SUPERVISION		FREE FOR 3 YEARS
Vehicle Tracker	See your van's location on the map in your app, making it easy to call or message your driver and re-route them to fit in another delivery or pick-up if a quicker route is available. The tracker is factory fitted equipment so it can't be easily removed if stolen.	
Parked Vehicle Locator	If you're within 1 mile of your van's parked location, the app can generate the most convenient walking route – very handy if you're in unfamiliar surroundings and on a busy schedule.	
REMOTE ACCESS		FREE FOR 3 YEARS
Remote Retrieval of Vehicle Status	Use your app to check on fuel level, tyre pressure, mileage and trip information. Not only does this help you plan your day's journeys, it can save you admin time on tasks such as logging your mileage for expenses.	
Remote Door Locking & Unlocking	The app allows you to check if your van is locked. If you lock your keys in the van or need to give another driver access, you can do it via the app, from any distance away. For added peace of mind, you'll receive an email notification when your vehicle is unlocked.	

Mercedes-Benz Approved Used vans.

Get used to more...

Service24

Service24: Demand more

The most comprehensive Aftercare package – for businesses that demand more.

Our 120-strong Dealer network works around the clock to service and maintain your vans and keep your business moving. It all adds up to more value, more flexibility and more confidence that you'll only find at an authorised Mercedes-Benz Dealer.

› Flexible servicing and maintenance

Book your service online or by telephone, and as well as a standard 'drop and go' service with a courtesy van, you'll also get:

- Early bird, late night and weekend slots
- Mobile service
- Overnight service
- Collect & deliver service
- Express 1hr service
- Electric van service.

[Find out more about service and repairs](#)

› Flexible ways to pay and save

With fixed, transparent national pricing there are no surprises with our services and repairs – plus you can fix, spread and reduce your service and maintenance costs, and ease your cashflow at the same time, with a payment plan.

- Pay as You Go
- ServiceCare Maintenance
- ServiceCare Flex (specifically for fleets)
- ServiceCare Complete.

[Find out more about service options](#)

› 3-year unlimited mileage warranty

Available on every new van, all service and maintenance – and any work required – is covered by your 3-year unlimited mileage warranty, and is only undertaken by Mercedes-Benz trained technicians using Mercedes-Benz GenuineParts.

[Find out more about warranties](#)

› Free breakdown cover & roadside assistance*

Every van comes with free Europe-wide breakdown cover – MobiloVan. And with 3 years' cover on new vehicles for driver mishaps, no one goes further to keep your business moving.

- Trained technicians using only Mercedes-Benz GenuineParts
- Forward travel of load and crew is covered
- Driver mishap cover for the first 3 years, including out of charge cover or empty fuel tanks.
